

Neighborhood Congregational Church's Harvest Dinner

November 20, 2016
following service

It's time once again to dust off those treasured holiday recipes for the annual Harvest Dinner! Join us after service in Bridge Hall on Sunday, November 20th for a sumptuous harvest meal brought to you by NCC's finest cooks!

Sign up sheets will be available on Sundays for you to list which of your family favorites you will bring to share, or you may contact the office. We will need (cooked) turkeys or hams, vegetarian mains, potatoes and gravy, dressing, vegetable sides, and desserts. If you would prefer to donate money to help purchase food for the dinner, please make your check out to NCC and put Harvest Dinner on the memo line. You can put it in the collection plate on Sunday or give it to Kristen Purll in the office during the week.

If you have any questions,
please contact the NCC office:
